One of the most difficult decisions in any type of genealogy publishing is deciding when to stop researching the various family lines and when to publish your findings for others to be able to make use of. Having previously done several other books I can honestly advise that every possible family line has never been researched by every available avenue. This gets proven more readily with each passing year. New genealogy information becomes available with each passing day. It is now believed that Man's knowledge and available information doubles every eighteen months.

This book is published knowing that it is incomplete. I acknowledge that I have yet to research many of the various family branches in this book. A few years ago I wrote **Ancestors and Relatives of Reverdy Lewin Orrell, IV**, which detailed my son's complete ancestry. Some of his direct line ancestors were traced back thirteen generations. This current series of books doesn't go back in time; rather, they come forward. Each book begins with one of our son's 'end of the line' direct line ancestor and brings that ancestor's line to the present day. Therefore the reader will find our son, **Reverdy Lewin Orrell, IV** as a descendant in every book in this series. Obviously, his direct line from the progenitor in each book is very well documented. Some of the other descendancy lines from the progenitor have not been researched at all.

Why then, might you ask, is this series of books even being produced, if they are not completely researched and documented? The answer is quite simple - all of the family trees and branches, all of the genealogy data, all of the various source notes - do absolutely no good to anyone else when they are stored in my computer databases, census databases, and file cabinets. While it is my intention to eventually work on many of these lines again; I can't be sure that each project will ever be completed. Therefore, while I am young enough, in good health, and have the necessary funds, I am doing this series of fourteen books. There are several other family lines that are absolutely huge; some have been very well documented by other researchers. There are a few other lines that I will be publishing at a later date.

I do not consider myself an expert on any of these lines. Many persons helped me out by researching several of these lines before me. In all cases I have added to their research. Please note that the notes are not rewritten and polished. The books in this series are intended to aid and assist other genealogists who are interested in these various family lines.

Each book in this series is published on a very limited basis. A copy of each has been placed in the Library of Congress in Washington, D.C., Daughters of the American Revolution Library in Washington, D.C., Latter Day Saints (LDS) Family Library in Utah, the Maryland State Archives in Annapolis, Maryland, and the Maryland Historical Society in Baltimore, Maryland.

An index of each book appears in the back. Please bear in mind that only descendants, their spouses and their spouse's parents are indexed. Persons mentioned in the various notes

Descendants of Richard & Elinor Dudley of Talbot County, Maryland
The Descendants of Richard & Elinor Dudley of Talbot County, Maryland

Listing 470 descendants for 14 generations.

1. Richard¹ DUDLEY was born 1630. He married Elinor. She was born 1630.

They had 1 child:

+ 2. F i. Sarah DUDLEY, born 1660, died after Sep 1712.

Elinor died after Aug 1682.

NOTES for Elinor follow:

Mentioned in land record of 15 August 1682.

At present there are no clues as to the possible maiden name or ancestry of this female.

Richard died after Aug 1682.

NOTES for Richard follow:

Sold a tract of two hundred acres of land called 'Dudley' located on the north side of the Choptank River and of the west side of Tuckahoe Creek to his daughter Sarah and son in law Samuel Broadway, Sr. on August 15, 1682.

This record is mentioned in Talbot County, Maryland, Land Records, Book Two by R. Bernice Leonard and states that Richard Dudley, taylor, and Elinor his wife, to Samuell Broadway, planter. It was witnessed by John Pooley and Thomas Vaughn and acknowledged by Henry Parker before William Coursey, Edward Man and George Robotham.

It is possible that Richard Dudley had a son James Dudley who had a son Thomas Dudley for on 8 March 1745 William Warring and James Broadway were appointed by Edward Nedels to view and value the land of Thomas Dudley, son of James Dudley, deceased, who chose Thomas Dudley the elder for his guardian at the November court past (1744).

In 1708 a Thomas Dudley witnessed a deed between Richard Webb and Rebecca his wife and John Baggs and Hannah his wife, all of Dorchester County, Maryland.

2. Sarah² DUDLEY (Richard¹) was born 1660. She married Samuel BROADWAY before 1680, in MD. He was born 1660, the son of Nicholas BROADWAY and Catherine.

They had 2 children:

+ 3. M i. Samuel BROADWAY, died 1743.
+ 4. F ii. Sarah BROADWAY, born about 1680, died after Jul 1730.

Samuel died Jul 1699, in Talbot Co., MD.

NOTES for Samuel follow:

Samuel Broadway, Sr. married Sarah Dudley. They bought from her father, Richard Dudley, on August 15, 1682, a tract of two hundred acres of land called 'Dudley' located on the north side of the Choptank River and of the west side of Tuckahoe Creek. (Book 4, page 131, Talbot County Land Records). On November 10, 1692, Samuel Broadway bought from Vincent Lowe a tract of land for eight thousand pounds of tobacco (Book 8, page 7, Talbot County Land Records). On July 31, 1699, the will of Samuel Broadway, Sr. was probated in Talbot County, Maryland. (Book A1, 1501). The Broadways at one time owned the farm of former Governor Robert J. Reynolds of Delaware. When Samuel Broadway died he left about six hundred acres of land. The Samuel Broadway, Sr. and his wife Sarah (Dudley) Broadway had two children: (1) Sarah Broadway who married Robert Frampton and (2) Samuel Broadway, Jr. who married Sarah ?

Samuel Broadway's will is located in Liber 6 of Wills and on microfilm reel SR 4402 at the Maryland State Archives in Annapolis, Maryland. It too is extremely difficult to read. In some places I can only pick out certain items. I have tried to decipher any names that are mentioned. It follows:

In the name of God, Amen. I Sameul Broadway of Talbot County in ye province of Maryland being weak of body

Page - 1

Descendants of Richard & Elinor Dudley of Talbot County, Maryland

but of good and perfect memory do make my last will and testament, revoking and annulling all wills by me formerly made and this to be my only will as followeth. I commit my Soul into ye hands of Almighty God and my body to be decently buried by my children in my own plantation according to the directions of my executor and after all my just debts and legacies be paid I give as followeth.

I give unto my well beloved wife my plantation whereon I now live called ? and the land belonging to it. I give to my son Samuel Broadway half ye tract of land and ye other half ye tract of land called Dudley. I give unto my daughter Sarah Broadway half ye tract of land.

Of my personal estate it is my will that it should be divided into three equal parts and my son and daughter to have two parts of it but in case my wife should be with child then it should be divided into four parts. It is my will that in case my daughter Sarah should marry against her mother's will ye she shall have no part of this my will until she comes unto ye full age of one and twenty years.

Witness my hand and seal the 8th of May 1698.

Samuel Broadway, Sr. died about 31 July 1699 for on that day his will was probated. It should be pointed out that both he and his wife were probably not that old by modern day standards as he mentions the possibility that his might be with child probably setting their ages below 40 years. I have seen this phrase from time to time in various wills; however, as it is not included on a regular basis it is probably only used when it is believed that wife is definitely pregnant or is still of child bearing age.

The inventory and account of Samuel Broadway, Sr. was located at the Maryland State Archives on microfilm rolls 45 and 66-7. The handwriting is very difficult to read. It should be noted that also dying in 1699 was Robert Broadway who is placed as his brother.

Sarah died after Sep 1712.

NOTES for Sarah follow:

Talbot County Maryland Land Records Book Three by R. Bernice Leonard states that on 11 May 1700 Sarah Broadway of Talbot, spinster, sold to George Pratt, joiner - 100 acres of land called 'Greenhill', bequeathed to me by the will of my late husband Samuel Broadway and also 100 acres of 'Dudley's' - also bequeathed to me by Samuel Broadway. This was witnessed by Edgard Webb and Nicholas Lowe and acknowledged by Sarah Broadway before Thomas Robins and Robert Ungle.

It is possible that Sarah Dudley secondly married Robert Mansell for we find on 27 February 1712, Robert Mansell of Talbot, planter, and Sarah his wife, to Barhtlomew Greenwood, planter - 100 acres of woods and uncultivated ground, part of Parkers Farm; on or near Tuckahoe Creek - late in possession of Samuel Broadway, deceased with Sarah Mansell being seized in fee.

NOTES for Robert follow:

Source: Rita P. Frampton, Ronald Frampton, George Frampton, and Blanche Frampton Pepi.

Robert was the immigrant ancestor who arrived in Maryland on 22 March 1675 (or 1676) (Ships records, Liber WC #2, folio 89, Annapolis Commissioner Land Office) as an indentured servant on the ship Alexander, out of Bristol, England, with 14 other indentured servants. Capt. William Jones was the commander. Rights to the servants were proved before Lord Baltimore and conveyed to William Flood of then Dorchester County, Maryland. Flood obtained about 800 acres of land in 1679, and these were presumably worked by the servants in earning their own free land in accordance with the tenure system then in effect. In 1684 and 1685 Robert Frampton surveyed and got land near or west of Tuckahoe Creek, probably in Talbot County, known variously as Frampton and as part of Collin's Pasture.

He laid out a 122 acre tract called 'Frampton' on 24 February 1682 and acquired 'Collin's Pasture'. He married Sarah Broadway. His son William bought land 1729 in what became Caroline County.

Talbot County, Maryland, Land Records Book Two by R. Bernice Leonard states that on 10 August 1690 Robert Frampton, planter sold to John Robinson, planter, 122 acres called 'Frampton' on the west side of Tuckahoe, in the woods on the west side of the land formerly laid out for John Wooters called 'Dunmore Heath' and 'Moorefield'.

On 15 January 1717 David Robinson, Judith his wife and Solomon Robinson, all of Talbot County, Maryland, planters, sold to Anthony Wise, Gentleman - 122 acres called 'Frampton' in ye woods on the west side of Tuckahoe and the west side of 'Dunsmore Heath' formerly laid out for John Wooters and the lands of George Bowes.

Robert Frampton's will is located in the Prerogative Court records of Maryland in Liber 20, folio 103 - 105.

In the name of God, Amen. I Robert Framton of Talbot County in the Province of Maryland, planter, being very sick and weak in body but perfect in mind and memory thanks be to God therefore calling to mind the mortality of my body do make and ordain this my last will and testament that is to say first of all I give and recommend

Descendants of Richard & Elinor Dudley of Talbot County, Maryland

my Soul into the hands of God that gave it and for my body I recommend it to the Earth to be buried in decent manner at the discretion of my executrix hereafter mentioned and as touching such worldly estate to herewith it hath pleased God to bless me in this life I give and dispose of the same in manner and form following.

Item. I give and bequeath to my eldest son John Framton one shilling sterling and sixteen acres of land being part of my tract of land called Collins Pasture upon which I now live and which I bought of Benjamin Parrott Senior late of this county by deceased this quantity of sixteen acres of land to be laid for him in such form as shall contain and includes the dwelling housing and all other improvements that he hath made since he was married but not to take away any part of my now dwelling plantation or other improvement that I have made upon the land to have, hold, possess and enjoy the said quantity of sixteen acres of land during his natural life and after his decease my will is that the said quantity of sixteen acres of land return to the uses and benefit and possession of such person or persons into whose hands the remaining part of my lands shall be hereafter devised, given or bequeathed. And for the remaining part of my land I give and bequeath the same to my dearly beloved wife Sarah Framton during her natural life and at her decease I will and bequeath the same to my son Thomas Framton his heirs and assigns for but if my said son Thomas should happen to die without lawful issue then my will is that the said land may be held and enjoyed by my son Robert Framton Junior his heirs and assigns forever.

Item. I give and bequeath to my son William Framton one shilling sterling in full of his portion out of my estate.

Item. I give and bequeath to my son Robert Framton aforesaid one shilling sterling in full of his portion out of my estate.

Item. I give and bequeath to my daughter Sarah Booth one pound tenn shillings or a heafer not exceeding three years old to be paid to the discretion of choice of my executrix hereafter mentioned.

Item. I give and bequeath unto my dearly beloved wife Sarah Framton whom I likewise constitute make and ordain my only and sole executrix of this my last will and testament all the remaining part of my goods, chattel, and chattels during her natural life and after her decease my will is that my son Thomas Framton be the sole possessor and owner thereof. And I do hereby utterly disallow revoke and disannul all and every other will and legacy by me before this time named willed or bequeathed ratifying and confirming this and no other for my last will and testament. In witness whereof I have hereunto set my hand and seal this eighteenth day of October in the year of our Lord one thousand seven hundred and twenty nine.

Signed, sealed, published, pronounced and declared by Robert Framton to be his last will and testament in the presence of the subscribers Roger Hunter, Robert Hunter and Joseph Turner.

The will was proved 21 July 1730.

George Frampton of Illinois, in correspondence to Richard Frampton of Charleston, West Virginia remarks that 'Early in my searches here I concluded that all Framptons in Maryland and Delaware descended from the same original settler and am on the verge of proving it. But there are still gaps. The Wrightnour book is helpful but terribly erroneous in many way. The Wrightnour book is based mostly on what people living in about 1917 seemed to remember, and some of it is good and some misleading.'

'Your account of the brothers fits the information that a John Frampton settled in South Carolina in the late 1660's, and a Robert Frampton was in Maryland at that time. To summarize briefly some of the information I have from wills, land, records, ground records, and interviews, and treating Robert Frampton as the first generation (Robert I), Robert (I), by Sarah Broadway, had one daughter, Sarah Booth, and four sons John (II), Robert, Jr. (II), Thomas (II), and William (II). I have lost track of Robert Jr's (II) descendants, if any. Thomas (II) and William (II) were more prolific founders of two separate branches from which I believe we are both descended. Thomas (II) who inherited Collins Pasture in Talbot County, married a Sarah and died in 1766 leaving Thomas (III) born 1744, John (III) who died before 1766 leaving Joseph (IV) and Samuel (IV), Robert (III) who married Ann, Sarah (III), Mary (III), and Isabella (III) married ..Hutchins. Thomas (III) died in 1841 at the age of 96 leaving Thomas (IV), Daniel (IV) who was father of Luther (IV) and Charlotte (IV) or at least he had those children, and perhaps only Charlotte and his grandson Luther survived him. Joseph (IV)'s descendants were the Elberts, Vincents, and Josephs more recently on Tilghman Island.'

One of the Frampton researchers also sent me an unconfirmed pedigree chart on the early Frampton family in England. The earliest on record is John de Frampton (or Frompton) living in the mid to late 1300's. He had a son Walter Frampton who died about 1354 and married Marjorie Mcreton. Walter Frampton had a son John who had three wives Isable Prouse, Edith Stawell, and Margaret Husse. This John Frampton was about 1366

Descendants of Richard & Elinor Dudley of Talbot County, Maryland
and died 1425. John had issue of Henry (no information), Robert (born 1400, died 1464) and William. Robert Frampton's line ends two generations later but William Frampton's line continues through his only child John Frampton. John had one son Roger who was born 1492 and died 1522. It is through John Frampton's other child Edward that the Frampton line continues. Edward had one child John who was born 1517, died 1557 and married Elizabeth Willoughby who died in 1592. The tree expands quite a bit at that point as it is documented that John had 5 sons. It would appear that our Robert Frampton was probably a great grandson or great great grandson of the above mentioned John Frampton.

Sarah died after Jul 1730.

NOTES for Sarah follow:

Robert Frampton's wife has always been listed as Sarah Broadway although, to date, no marriage record has been found proving her maiden name as Broadway. The Frampton researchers I have contacted state that there were many connections between the Frampton and Broadway and that one family was selling land or witnessing documents for the other. Also, there is proof that the Sarah Broadway, daughter of Samuel Broadway, is of the perfect age to be the wife of Robert Frampton.

Cited as still being single in her father's will dated 8 May 1698. Father's will mentions 'if my daughter should marry against her mother's will she shall have no part of this my will until she comes unto ye full age of one and 20 years'. Therefore she was probably born about 1680 and married about 1700.

Thomas died 1766.

NOTES for Thomas follow:

Residual heir to Collin's Pasture.

Ronald Frampton advises that Thomas Frampton married Sarah Withbee on 30 October 1732 at the St. Peter's Church in Talbot County, Maryland.

It should also be noted that a Richard Whittby and a Deborah Frampton married at St. Peter's Church in Talbot County on 11 November 1741.

On 2 Aug 1737 Richard Whiteby of Queen Anns County, planter bought from William Frampton of Talbot, planter, for the sum of 20 pounds sterling, all that tract of land which William Frampton bought of his father William Whiteby for 50 acres, called Ridge Range near Tuckahoe Creek.

The William Frampton mentioned is the brother of Thomas Frampton. The Richard Whiteby of Queen Anns County would be the brother of Thomas Frampton's wife Sarah Whiteby with the William Whiteby being her father.

The original will of Thomas Frampton is located at the Maryland State Archives in Box 9, folder 38. It is also located in Wills book #34, and on microfilm reel SR 4428.

On the 10th of November 1766 Sarah Framton made oath on the Holy Evangels of Almighty God that the above instrument of writing is the true and only will and testament of the said Thomas that hath come to her hands, possession, or knowledge and that she doth not know or hath ever known of any other. On the document is was also stated that on the same date Henry Clark and Francis Register, two of the subscribing witnesses to the foregoing will being of the people called Quakers do make their solemn affirmation to the same information. It should be noted that Quakers can not 'swear' to anything. They instead make a 'solemn affirmation'.

His will is found at the Maryland State Archives in Talbot County, Maryland Wills Liber JP 5, pages 215-216 (1797). His name was spelled Joseph Franthom.

In the name of God, Amen, I Joseph Franthom of Talbot County and State of Maryland, being sick and weak of body but of sound and disposing mind and memory do make and ordain this my last will and testament in manner and form following: viz, first I commend my soul to Almighty God, and my body to the Earth to be decently buried humbly begging God for all my sins not doubting but to receive the same through the ? and intercession of my redeemer.

Item, I will and bequeath to my loving wife Mary Ann Franthom all my real and personal estate during her

Descendants of Richard & Elinor Dudley of Talbot County, Maryland

widowhood, but in case of my said wife's marrying than in this case my will is that my son Elbert Franthom have and possess all my land by paying to my four youngest children the sum of ten pounds current money, to each when they arrive at lawful age, to wit, they boys to receive their part at the age of twenty one and the girls at sixteen, but in case of the death of any of my four youngest children, it is my will that the death of any or all of the said children, shall discharge my son to whom I have given my lands, from paying the part due to the said deceased children to any person or persons whatsoever.

Item, I give and bequeath all my personal estate, at the death or marriage of my wife to be equally divided amongst all my children except my son elbert and it is my will that my son Elbert Franthom shall pay to my four youngest children at the age as before mentioned the sum above mentioned but on refusal of making my said youngest children's payment, then the said children shall claim apart of my lands with my said son to whom I have given the same.

Item, my will is that if my son Elbert Franthom dies without heirs lawfully begotten of his body then my will is that my lands be equally divided between all my surviving children.

In witness whereof I have set my hand and seal this twenty seventh day of June seventeen hundred and ninety seven. Signed sealed and delivered to be my last will and testament.

Joseph Franthom made his mark. On the 5th day of August 1797 came Mary Ann Franthom who brought this will to be proved and made oath on the Holy Evangel of Almighty God that the foregoing instrument of writing is the true and whole will and testament of Joseph Franthom late of the county aforesaid, deceased, that hath come to her hands or possession and the she doth not know of any other.

Several items should be drawn from the above will. Joseph Frampton and Mary Ann Ganar had five children - 3 boys and 2 girls. Elbert Frampton was the eldest and was probably of legal age at the time the will was written (27 June 1797). According to the will the four youngest children were under legal age. That is to say the males were under 21 and the females under 16. There were 2 males and 2 females. This is concluded by the statement 'the boys to received their part at the age of twenty one and the girls at sixteen'. The only possible combination of 4 children involving boys and girls (both plural) would be 2 of each.

| 246. | F | v. | Mary FRAMPTON, born about 1874, in Talbot Co., MD. Mary's mother, Wilmina, is found in the 1900 MD Census as living with her son in law, John S. Roe. Mary is the only daughter listed in the 1880 MD Census with the family. It is possible that she is the only daughter born to the marriage (her father was 71 years old when she was born). It therefore is possible that Mary Frampton married John S. Roe. Check 1900 MD Census (Vol 41, ED 96, Sheet 3, Line 99) to see if John has a wife named Mary. |

Wilhelmina died 26 Jun 1902, in Tilghman Island, Talbot Co., MD, and was buried in Tilghman UM Chur, Tilghman Island, Talbot Co., MD.

NOTES for Wilhelmina follow:

Found in 1880 Census with her husband who was 35 years older than she was.

Noted that both of her parents were born in MD.

She is found in the 1900 MD Census with her son in law John S. Roe (Vol 41, ED 96, Sheet 3, Line 99 on District 5 of the Bay Hundred in Talbot Co., MD). The 1900 MD Census shows her age as 62, being born in Dec 1832.

This is probably correct although her husband would have still been 29 years older than she was. She is listed as WILMINA. Need to check out 1900 Census.

Tombstone states Willima Roe Frampton 1834 - 1902. Source: Tombstones of Talbot County, Maryland, Vol I.

This would appear that her maiden name was Roe.

Death certificate states she was the widow of Vincent Frampton and that she had 6 children living at the time of her death. Her father and mother are listed as 'unknown'. Her death certificate states that her maiden name was Wilhelmina Melvin. Her son's (Walter Frampton) death certificate also lists her as Melvin. It is possible that the Roe was a middle name. Her son's (James Frampton) death certificate also lists her as Melvin.

It is also very possible that she was previously married to a Mr. Roe.

Vincent next married (2) Juliana. She was born about 1809.
